

EEDA's Business Finance Roadshow

EEDA has launched a new and improved portfolio of financial products to help support businesses in the region. In addition to grants, EEDA now offer a range of business loans and a new programme that demystifies the finance world and helps businesses access the most appropriate finance for their investment needs for now and the future.

Join us for this business briefing/Breakfast to understand what's available through EEDA and to find out if you are eligible to access it.

Who should attend?

Businesses looking for funding to prove an idea
Businesses looking to fund research and development projects
Business looking for finance to expand their business.

What it will cover?

The event will cover an overview of:

- Grant funding available from EEDA, (Proof of Concept, Grants for Research and Development, Grants for Business Investment)
- Loan funding available from EEDA for both start up and established businesses
- EEDA's new Understanding Finance for Business Programme.

EEDA's new Understanding Finance for Business programme helps you understand your options for securing finance and increase your chance of success. It is structured around a series of workshops and support that become more tailored as you move through the programme
